

DEPARTMENT OF THE ARMY
Vacancy Announcement Number: NEGE07039074

Opening Date: June 13, 2007

Closing Date: June 28, 2007

Position: Maintenance Mechanic, WG-4749-10, FPL: 10

Salary: \$20.37 - \$23.76 Hourly

Place of Work: US Army Engineer District, Baltimore, Operations Division, Flood Control Branch, Tioga-Hammond/Cowanesque Lakes Project

Duty Station: Tioga, Pennsylvania

Position Status: This is a Permanent Position. – Full Time

Number of Vacancy: 1

Duties: You will serve as Assistant Dam Operator at a multipurpose flood control project with responsibility for the administration, operation, & maintenance of the dam & its appurtenant structures, buildings, roads, & grounds. You will operate a local flood protection project & flood control dam to regulate stream flow & to permit the release of water from reservoirs to meet emergency, water quality, & recreation demands according to pre-planned procedures. You will operate diesel, gasoline or electric powered vehicles with gross weight of up to & including 30,000 pounds capable of carrying loads weighing up to & including 10 tons. You will control all record keeping including time & attendance, overtime, procurement verifications, cost accounting & budget.

About the Position: The Tioga-Hammond and Cowanesque Lakes project office is located off Hwy 287, west of the borough of Tioga, PA, where the Operations Project Manager and the Maintenance Mechanic Supervisor operate from. The position is in the office located at Cowanesque Dam, with the flood control works located approximately 10 miles from the office and quick access to the Cowanesque dam. This position will require working in varying weather conditions, including temperatures that can vary from low 90 degree temperatures in the summer to single digits in the winter, and weather conditions of rain, snow or sleet.

Who May Apply:

- Current Army employees with competitive status (includes Army employees serving on a career or career-conditional appointment).

Qualifications:

Applicants will be evaluated on their ability to perform the duties of a Maintenance Mechanic rather than length of experience. Eligibility will be determined by the

relevance, scope and quality of all experience and training, regardless of where or how acquired. The items below should be addressed within the context of the resume.

1. Ability to do the work of the position without more than normal supervision (SCREEN-OUT ELEMENT.) Describe all work you have performed that is related to the duties described above such as dam operation, electrical, painting, cement finishing, and carpentry. 2. Knowledge of dam equipment machinery plus the ability to operate and maintain motor vehicles, such as dump truck, dozer, crane, and tractors with attachments. 3. Technical practices (theoretical, precise, artistic.) 4. Use measuring instruments. Describe the types and purpose of measuring instruments you have used. 5. Ability to interpret blueprints, diagrams, drawings and maintenance/repair manuals. Describe the types of instructions you have received including verbal and written in order to carry out work assignments. 6. Ability to use and maintain tools and equipment. 7. Knowledge of materials.

KSAs are not used. Applicants will be rated against Resumix Job Search Criteria which is chosen by the selecting official.

PHYSICAL EFFORT: Requires constant arm and leg movement and reaching, bending, and turning to operate hand and foot controls when driving tractor or motor vehicle. Exerts effort to maintain balance and position at controls of tractor. Stands, stoops, bends, kneels, climbs and works in tiring and uncomfortable positions. Works on scaffolds and ladders, which require work overhead or in stretched, cramped, or awkward positions. Exerts heavy physical effort frequently lifting and moving objects weighing over 50 pounds, pushing heavy loads, and operating heavy hand-held equipment.

WORKING CONDITIONS: Works indoors and outdoors in all weather conditions including periods of extreme heat and cold and inclement weather. Subject to cuts and bruises, electric shock, and falls from ladders; injury from lifting and handling heavy materials and equipment; discomfort from noise, fumes, and vibrations of equipment; and a variety of hazards associated with operating vehicles and equipment, applying pesticides, and performing duties in the vicinity of flood control projects.

COMMENTS: Incumbent will be on call 24 hours a day, 7 days a week. Work weekends and holidays. This position is designated as a drug testing position. Incumbent must pass a pre-employment drug test and random drug testing during employment. Must pass a pre-employment physical.

Other Information:

- To successfully claim veteran's preference, your resume/supplemental data must clearly show your entitlement. Please review the information listed under the Other Requirements link on this announcement or review our on-line Job Application Kit.

- Selection is subject to restrictions resulting from Department of Defense referral system for displaced employees.
